What You Can Be Doing

- We encourage everyone to make **11:00 AM for worship on Sunday** a top priority. This will help to maintain consistency for Sunday worship for your family.
- Please prepare a space in your home that will allow you to participate in worship via the live stream service without interruptions or distractions. Gather your Bibles and sit down together.
- If you have family members that do not usually attend church, this may be a new opportunity to include them. Please feel free to invite them to join you in worship.
- During the worship service, remain fully engaged, as much as possible, and participate by singing during praise, praying during prayer times, opening your Bible and taking notes during the sermon.
- **Prepare ahead of time to be ready to give your offering online.** You can give online, by text, Cash App, by mail, or in person. Please look at our different ways to give below.
- After the worship service, take some time for personal reflection, decisions, and commitments. Allow your family members and friends to talk about the changes in our society and reassure them of God's love and care.
- This is a great OPPORTUNITY to bring the message of hope to our neighbors, friends, and family. We want to encourage you to invite, share and re-post with as many people as possible. People are needing the hope we have in Jesus more than ever before.

Know our staff is working and serving during this time. You may call our church office at 205-798-1777 or email info@lovefellowship.us and our staff will pray with you and do our best to meet your needs.

How To Give
